Class Description:

Learn how to create Vicky's Jellyfish design by using simple stitching and couching techniques. This is a perfect class to use up your scrap fabrics. You will learn a variety of embroidery stitches including running stitch, back stitch, French knots and stem stitch as well as the couching technique which works really well on this piece.

The finished piece is 27 x 35cm and would make a great wall hanging or centre of a cushion. The piece will take longer than 4 hours but you will go home with the knowledge needed to finish it off at home.

Material Requirements:

You will need to bring along:

- Navy background fabric (27cm by 35cm)
- A backing fabric (not visible) for extra support for stitching (27cm by 35cm)
- Fabric for the jellyfish head (10cm by 10cm)
- Fabric for the jellyfish tentacles (20cm by 20cm)

Equipment:

- Basic sewing kit: pins, hand embroidery needles, an unpicker, scissors (both large & small sharp ones) etc.
- A size 3 embroidery needle (one that fits your embroidering thread through)
- Embroidery threads; Vicky has used blue and pink, but choose ones that will suit your fabric choices.
- Heat 'n' Bond lite - roughly 25cm by 20cm.
- Notebook & propelling pencil.
- Paper cutting scissors

Please remember:

- Please read the terms and conditions (under "Classes and Demonstrations" on our website).
- The windows may be opened periodically during the class to allow for adequate ventilation.
- To bring your own equipment where possible (including a travel mug if you have one).
