### **Class Description:**

Make this multi pocket Wallet/Purse to carry all your essentials. Anita will support you through the process from creating the pocket pouch to adding zips and clasps. Or choose any other By Annie bag pattern. Get tips on using vinyl, adding mesh, inserting zips and making bias binding. A comprehensive bag extravaganza.

### **Fabric Requirements**

If you are making the small Payday wallet, the requirements from the pattern (which you will need) are attached. As they are in imperial measurements, they are summarized in metric measurements for your ease here:

- 1m fusible interfacing

You will also need a zipper, strapping (2m), set of hardware and sew-in magnetic snaps as per the pattern.

If you are making a different bag, please refer to the pattern for fabric and hardware requirements.

### **Equipment:**

- Rotary cutter and cutting mat

- Sewing machine (don't forget foot pedal, power lead and accessories e.g. feet, bobbins, needles plus your manual).

### **Please remember:**

- We have 6 sewing machines (Janome M100 QDC) for hire; if you would like to hire one for this class, please do book one in advance – they are available on a first come, first served basis.
